Federal Railroad Administration

[Docket Number FRA-2020-0060]

Petition for Waiver of Compliance

Under part 211 of title 49 Code of Federal Regulations (CFR), this document provides the public notice that on July 13, 2020, the American Public Transportation Association (APTA) petitioned the Federal Railroad Administration (FRA) for a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR parts 213, 214, 217, 218, 220, 225, 228, 229, 232, 234, 236, 238, 239, 240, 242, and 243. FRA assigned the petition Docket Number FRA-2020-0060.

APTA, on behalf of its member railroads, requests to renew the emergency relief FRA previously granted by letter dated May 22, 2020, in its emergency relief docket (Docket Number FRA-2020-0002). *See* <https://www.regulations.gov/document?D=FRA-2020-0002-0074>. FRA renewed this relief for an additional 60 days on July 20, 2020. *See* <https://www.regulations.gov/document?D=FRA-2020-0002-0094>.

APTA states that the requested emergency relief allows for modifications in operations that are necessary to maintain public and railroad employee health and safety, and it enables commuter and passenger railroads to operate consistently with recommendations from the Centers for Disease Control and Prevention concerning reducing the spread of coronavirus disease 2019 (COVID-19). Additionally, APTA states that its member railroads are currently only utilizing a small portion of the relief to

prioritize safety, but it expects that the changing dynamics of COVID-19 may require use of relief not currently being applied. Given the uncertain nature of the COVID-19 public health emergency and its effect on railroad operations, APTA requests to renew the relief for one year.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov (Docket Number FRA-2020-0060).
